Dear Jackie

I just wanted to take this opportunity to thank you for the help you have given our company from carrying out our Fire Risk Assessment to the ongoing maintenance of the buildings fire extinguishers and also the buildings fire alarm & emergency light testing.

One member of our staff also attended your Fire Training Course and found it to be very informative.

The services you supply are always carried out in a very timely and professional manner and we would most certainly have no hesitation in recommending your services in the future.

Thanks again.

Kind Regards

Kim Law
